

**Courts Committee Meeting**  
**Monday April 13th, 2026 at 5:30 PM in Boardroom**

**Next Meeting : Monday May 11th, 2026 at 5:30 pm**

**Committee Members in Attendance:**

- Steve Carey
- Tom Trautman
- Missy Weiss
- Cathy Thurwachter
- Steve Lloyd

**Non-Committee Members in Attendance**

- Art Harmon - LSLCA BOD
- Alex Kott

**Meeting called to order by Tom at 5:31 pm**

Reviewed March 2nd, 2026 meeting minutes. Missy motioned to approve the March minutes as written; Steve L. seconded the motion. The Committee voted unanimously to approve.

**OLD BUSINESS**

- Kid's Free Tennis Day is Saturday May 16<sup>th</sup>. Flyers posted on tennis bulletin board, need to add to Lakewood courts bulletin board. Tom to discuss with Becky about an email blast for tennis flyers, it is highly important to get word out. We discussed is April too early in the year to have youth tennis clinics?
- Open House – we had lots of people come by the tennis and pickleball tables, Alex has followed up with people who signed up for pickleball.
- FB page consolidation – Need flyers posted to new FB page, Missy to communicate with Jessica about posting several times a week. The new logo looks great.
- Repair of tennis court #3 – The work was completed by an outside contractor. The committee will walk out onto courts to review the surface. The tennis players were pleased with how court #3 looks.
- Wind screens – On the tennis courts, letting the tie wraps pop then replacing them should be regular maintenance. Steve Carey to contact Ron about zip ties.
- Security system on tennis courts – Michelle and Ron will price out a card reader (like at Lakewood courts) to come into the tennis court gate. Too many kids not in CA are using the tennis courts. Tom has not heard back on a price for new card reader. Amenities package would be required to enter the tennis courts.
- Charter revision – in process

## **NEW BUSINESS**

- Jr. Tennis for first spring session is cancelled due to low participation.
  - Trash on tennis courts – Tom met with Michelle & Ron who said the trash is being picked up every day. Tennis lights go out at 10PM.
  - Cathy asked Tom to look into buying an electric leaf blower for tennis courts which can be kept in the shed.
  - Monday evening tennis clinics conflict with 3 home swim meets. Tom to notify Vetta that parking might be difficult those evenings.
  - Art took notes on trash issues on tennis courts and card reader security system on tennis courts, email blast needing to go out promptly, need a leaf blower for tennis courts and wind screens need constant maintenance. Art to share these notes with the Board.
  - Lakewood pickleball net on court #1 – the post closer to court #2 is twisted, it needs to be turned then net adjusted.
  - Golf parking on dirt area by tennis courts – we discussed getting one or two signs that say “No golf cart parking”. Can CA purchase those signs?
  - Alex suggested having an Action Item Plan to share with Michelle & Ron regarding our maintenance issues.
- 
- Steve C. made a motion to adjourn at 6:34PM; 2<sup>nd</sup> by Cathy unanimous approval.

Respectfully Submitted,

Missy Weiss  
Courts Committee Secretary
