## **\*\*CA REMINDERS \*\***

**Class 8 Boats** -On January 22, 2019, a motion was made by the LSLCA BOD stating; only Class 8 boats that were registered in 2018 will be allowed on the LSLCA large lake (after re-inspection and registration). No other class 8 boats will be allowed or authorized for use on the LSLCA lake.

Due to concerns voiced by some CA Members, a moratorium was put in place regarding Class 8 boats and Wake Surfing and will be discussed at the next L&P & BOD meetings in February. Lakes and Parks meets on Feb. 5th and BOD meets on Feb. 26th.

**Lakewood Park Update-** PWSD2 and the City of O'Fallon will not complete the new lift station until December 2019. The LSLCA will not be able to begin renovations on the park until 2020.

**BOATING SAFETY COURSE-** REMINDER: All class 5-8 Boat owners MUST have taken the Boating Safety Course before they can register their Class 5-8 Boat for the 2019 Boating Season. All class 2-4 Boat owners MUST complete the class before they can register for the 2020 Boating Season. ALL Class 8 boats MUST be re-inspected by Water Patrol prior to registering their boat for the 2019 Boating Season.
