2025 Annual Assessments

Be on the lookout for your

2025 Assessment bill.

They were mailed out the week of

December 16th.

Assessments are due

March 1st 2025.

PROCEDURES FOR CA BOAT LIFTS

Rental docks Only—Slips with an approved lift must pay \$825 Lift Deposit and fill out a Lift Agreement form at the Front Desk of the CA Office.

Please do **NOT** purchase a boat lift until the lift measurements can be verified to see if the lift will adequately fit inside your half of the rental slip!

All boat lifts must be installed inside their half (50%) of the rental slip with adequate space allowed between the 2 boat lifts. Most lifts cannot be over 10' wide for rental slips (measured from outside foot to outside foot).

ALL New & Used boat lifts require a 5-step approval process

Before a boat lift can be installed. This includes boat lifts being installed in personal docks...and CA rental docks. It is the owner's responsibility to submit the paperwork to get approval. If a boat lift is installed *without* a permit, the CA can demand that it be removed permanently at the owner's expense. The 5-Step Lakefront Project Approval form must be completed along with the regular application for all Lakefront projects (Including docks, lifts & seawalls).

BOATING SAFETY COURSES

These courses are done in person. This is a one time course; if you have taken our class there is no need to take it again.

Please contact Water Patrol to schedule a date and time: 636-625-3120.

****REMINDER****

All Boats & Boat Trailers are to be stored away from your homes or put inside of your garage. Parking them on the driveway or on the side of your house is not allowed.

Water Patrol NOTICE:

Prior to obtaining Class/Category 8 boat registration stickers, ALL Class 8 owners (new and returning) must contact Water Patrol for the Annual Class-8 Inspections per L&P MASTER RULES & REGULATIONS, section IV. BOATING RULES, #24 (page 12).

“...Amendment: The LSLCA understands that some of the new style boats now have ballast/bags and wedges that are non-removable/ ingrained into the boat. The water patrol will inspect all Class 8 boats annually and have the owner sign an agreement that they will not use these devices on LSLCA lakes...”

“Reminder that ALL rental docks must be paid by April 1st!

per L&P MASTER RULES & REGULATIONS,

section IV. BOATING RULES, #18.

*CA slip (dock) rental fees are due by **April 1.***

Anyone who has not paid for their LSLCA slip rental fee and boat by 8am on April 1st will forfeit their right to that slip and it will be given to the next person on the waiting list.

There are no exceptions or appeals of this rule.”
