## **EMPLOYEE SPOTLIGHT...**

**We would like to introduce you to one of our many valued employees:**

*Alice Gilmartin "Alley" - Restaurant Server*

**How long have you worked for the CA?**

I have worked for the CA for 17 years as of April 3rd, 2020!

**Description of her job:** Creates memorable dining experience for members and provides excellent customer service. Takes orders and serves food and beverages to guests. Communicates effectively and familiarizes customers with the menu and is able to make recommendations.

**What do you love about working for the CA?** It has been very rewarding to help build such a wonderful community and getting to watch it and the families grow and become successful. I enjoy serving all of our members and celebrating all of life's milestones and events with them.

**Any story or experience that you would like to share?** I have so many wonderful memories and stories it would be hard to pick just one. My biggest joy is watching all of my kiddos grow up and go on to have wonderful lives and careers. My family was born and raised in the bay area of California and when my brother Ralpie was transferred here with GM, he brought my family and I here to discover MO. We love our community home and are grateful to live here.

**Notes from her Supervisor..** Alley is a very dedicated employee with years of experience! She has a very outgoing personality and enjoys building relationships with the members. We are very lucky to have her as a part of our team and community!
