Message from the Board President

The Lake St. Louis Community Association Board is excited about 2017 and has many new activities and plans in store. Our General Manager, Brian Devost and his team have developed new communications for our home owners including a monthly Flyer and a quarterly newsletter. Our goal is to be more informative about the community association events and to involve our members. We encourage you to support our association and take full advantage of our wonderful amenities to get the most out of our community.

President of the Board*

Message from the General Manager

Happy New Year!

Over the past year, I have been getting to know the LSLCA members, employees, and operations. Along with the Board, Committees, Clubs, Volunteers and My Team, we have a great calendar of events planned for 2017. Our goal is to continue the great services and amenities offered to our community association members, while adding some new services and traditions. If you have any questions or suggestions, I value your input and would love to talk with you. Please feel free to contact me at bdevost@lsca.com.

Interested in joining the Communications Team?

Are you a writer, designer, or editor? Do you have an article or content that you would like to share with the community? If you are interested in being a part of our communications program, or contributing to our flyer or newsletter, we would love to hear from you! Volunteers can reach out to us at frontdesk@lslca.com.

New! Events Committee

The Community Association is forming an Events Committee to give input on events hosted by the CA, develop some fresh ideas for activities, and be a part of event design. If you love a good party and enjoy creating memorable events, please contact Heather Malone at hmalone@lslca.com.

If you would like to opt in or out of receiving the new LSLCA monthly Flyer and/or the Quarterly Newsletter, please contact the CA Office at frontdesk@lslca.com.
