In Our 50th Year

Staff Highlights – Donnie Harrell

It goes without saying, our maintenance crew plays a key roll in the overall operations of the LSLCA. They not only oversee the maintenance and repairs to the clubhouse, beaches, marinas, and common grounds, but they do all the log/debris clean-up in both lakes, work with the city on special projects, service a fleet of vehicles/boats, and set-up/tear-down for all our special events... and the list of invaluable services goes on and on.

At the center of all this activity is Donnie Harrell – who is no stranger to hard work. Donnie grew-up on his family farm in Troy, MO, which he still operates today. He started his career with the CA in June of 1972 as a seasonal equipment operator. With a talent for preserving and enhancing physical assets, Donnie was promoted to the Directors position – a title he has held for the last 30 years. If you have met Donnie, you know first hand that he has a wealth of knowledge and information about the CA. In fact, his familiarity of silt ponds, machinery, breaker boxes, and operating large equipment will simply blow you away. As Donnie continues to ensure our community looks pristine, functional and enjoyable, we want to thank and express our appreciation for all that he does and for his years of dedicated service.

Community Yard Sale – April 29th

Take this great opportunity to clean-out your attic or basement this spring. The CA will be hosting a **Community Yard Sale** on April 29th (7AM to 1PM) at the Clubhouse (lower parking lot). Space is limited, so please don't wait to reserve your spot – **Call: 636.625.8276**.
