Celebrating Independence Day

GOD BLESS AMERICA

If you are making plans to watch the fireworks on July 4th, **PLAY IT SAFE!** At this time of year, you can count on a larger number of people driving their boats on both lakes and more cars parked along the streets to get a better view of the display. To assist staff, in keeping our community safe, please take extra **CARE** by driving slow and watching for children. **The fireworks are coordinated by the Ambassadors Club and are made possible every year through donations by the City, Businesses, and local Residents.**

Staff Highlights

Shirley Vogt

Meet Shirley Vogt... one of our most knowledgeable and kind-hearted employees. Shirley grew up near Lake of the Ozarks and considers herself to be "Outdoor Girl"! Shirley loves taking rides on her HD motorcycle, boating, swimming, and riding her bicycle. That said, Shirley's most favorite past time is gardening as she absolutely loves having lots of flowers and birds in her yard. In 2006, Shirley married Ken Vogt and moved to the Lake St. Louis community. Shirley has been with the LSLCA since the Summer of 2006 and in her own words; "I really love my job as ACC Coordinator because I enjoy meeting people In fact, I find our members to be very interesting and extremely nice." Shirley has 2 grown daughters, 4 grandchildren, and 3 great grandchildren. Most of her family lives near Lake of the Ozarks, where they have a weekend cabin – a place she loves spending time.

Enjoy the Clubhouse Bar

The LSLCA maintains a conservative policy concerning the serving of alcoholic beverages to persons who appear to have had too much to drink. You should be aware of the **Dram Shop Law**, which puts the liability directly on a server if an intoxicated person causes damage, injury, or death as a result of having too much to drink. So, please understand if we politely refuse to serve anyone a drink. Please allow our staff to arrange a safe ride home if necessary.
