Membership Updates

Annual Meeting: The LSLCA hereby notifies all CA members that the annual meeting will be held on October 16, 2017 at 7:00 PM. The meeting will include the election of (2) directors who will serve on the board for a three year term. All prospective candidates must register between August 1 – 31, 2017.

New Equipment: A new playground swing set and (3) “sit on top” kayaks have been approved by the board.

Water Quality: As the temperature outside continues to go up, warm lake water will trigger more bacteria and higher fecal counts. If you recreate near a cove, take extra precaution by rinsing off after leaving the water.

CA Beautification: As you can see, our new Master Gardener (Horticulturist) is hard at work sprucing-up the appearance of our common ground. If you have ideas and would like to volunteer, please give us a call.

Enterprise Software Solution: In October, we will be launching our new integrated software system to connect all our service points. Among the many benefits will be the ability to pay fees (assessments, amenities, and boat registrations) on-line – making the process more efficient and effective for everyone.

Like us on Facebook @LSLCA and stay up to date on all our up-in-coming events. If you find your picture, please stop by the office to enter your name in the monthly drawing.

Enjoy the Clubhouse Bar

The LSLCA maintains a conservative policy concerning the serving of alcoholic beverages to persons who appear to have had too much to drink. You should be aware of the **Dram Shop Law**, which puts the liability directly on a server if an intoxicated person causes damage, injury, or death as a result of having too much to drink. So, please understand if we politely refuse to serve anyone a drink and arrange a safe ride home if necessary.

NOTICE: GLASS CONTAINERS are not allowed in the pool area or on our beaches. This policy will be strictly enforced and the person at fault will assume all clean-up cost. **Your cooperation is greatly appreciated.**
